

Baldor XP AC & DC Motors

The Right Motor for your Hazardous Environment Application

Baldor's extensive line of Division 1 Explosion Proof motors are designed and built to contain an explosion inside and not propagate it into the surrounding atmosphere. Approval listings are available for Class I (Gas) and Class II (Dust) hazardous environments. Single and three phase designs are suitable for fixed speed, sine wave only operation.

- TENV and TEFC 1/4 - 800 HP (0.18 - 600 kW)
- Division 1, Class I and Class II certifications
- 1.0, 1.15 S.F.
- Single and Three Phase
- 115/230, 200, 230/460, 460, 575 VAC
- C-face (with and without base), D-flange available
